Description

Please call us for all information and details on this machine.

Additional Information

Physical Appearance
AFEquip.com is not responsible for hidden damages or mechanical failures as this is only a visual inspection

Mechanical Detail

Images

A 4x4 grid of 16 photographs showing various components and full views of yellow CAT 795G off-highway trucks in a snowy environment. The images include close-ups of the large black tires, the yellow chassis, the operator's cab, and the heavy-duty suspension system. Some images show the trucks from a low angle, emphasizing their massive size, while others show them from a side profile or from behind. The background is a snowy, open landscape, and the overall scene suggests a heavy construction or mining operation in winter conditions.
